Dear Applicant,

Welcome to the Alpha Academies Trust family of schools and thank you for your interest in joining our team. Our Trust is an exciting group of schools that work together with a shared purpose.

We are an **Ambitious** Trust established to create a network of primary & secondary academies in North Staffordshire. Our purpose is to deliver a first-class education for every child and overcome inequality. We recruit outstanding staff and make their professional development a number one priority. We are committed to working with other stakeholders to create a joined-up momentum, with the Ambition of bringing about transformational change in Stoke-on-Trent.

We care about our people and feel that we can achieve the greatest impact through a research led culture. We believe that mutual **Respect** should serve as the foundations of our organisation. This supports collaboration and as a result our people are creative, confident and work as one. Our staff identify the approaches that have the greatest impact on children and support the well-being and workload of all our staff.

We believe in the importance of **Resilience** embedded in a firm sense of belonging. Our teams support each other in becoming the best that they can be; they model this for our students and help our young people in overcoming difficulty. We serve vibrant communities, and as with any community, young people can face challenges. We help them to develop tools to overcome this. We know that this develops our culture of learning and, ultimately, our purpose.

Parents and stakeholders are at the heart of our learning partnerships. Governors are supportive and committed to providing a first-class education for all. Are you ambitious, value respect and do you demonstrate resilience? Are you looking for your next professional challenge? We are looking for a dedicated and enthusiastic professional to join us.
